We Hear You

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

I just wanted to call into your "Sound Off" column to tell you about something that happened to me last week.

I pulled into the driveway next to the unemployment office and came out an hour and a half later to find my car gone.

To make a long story short; my car was towed away, along with about 10 or 15 others that morning. I looked all over but I didn't see any signs except one about 10 feet up in the air. After a 4 mile walk home and almost $28 in charges I got my car back but I've been out of work and I needed that money to buy my children some Christmas presents.

If I had seen a "No Parking" sign I certainly wouldn't have parked there.

A CAMPBELL MAN

Editor's note: Your call set up a chain reaction that resulted in the San Jose police department taking steps to get that lot posted properly this week. I took a drive out to see the area and agreed that there wasn't adequate signs to forewarn motorists (see pictures page 4). The one outside sign was not visable from northbound traffic and was too high for southbound traffic to read. The manager of the unemployment office says he's posted a sign on the front door warning people and even makes periodic calls over the public address system. But, from all reports, the towing service has been doing a brisk business in recent weeks. Captain Fred Abrahms says the state vehicle code specifies towaway zones must be clearly marked and had a supervisor go out to take a look last Friday. "The Supervisor tends to agree with you," he reported Saturday. And a memo was being directed to the auto theft detail coordinator to inspect that site and see corrective action is taken. Owners of that property reportedly were sued last year after a motorist was injured in one of the chuck holes on that vacant lot, and have since taken a dim view of people using that lot.

How can they say that south county (animal) shelter is operating successfully for the county when its only open from noon to 5 p.m. Monday through Friday? They've reported they kill 90 per cent of the animals there now. And if you're a working person you can't get down there during those hours. The people there are very nice and it's a very clean shelter but my objection is the hours they're keeping.

INFORMED CRITIC

I was very upset with the charges made about the county (animal control) service in the PRESS. When the Humane Society fuss first came up I thought the county handled that and was told it's a private company. Just how is the county going to dodge these charges?

ANIMAL LOVER

Cat traps are nothing but cruel torture for our pets and I'm shocked that they're legal. They shouldn't be and I intend to tell my congressman so.

CAT LOVER

We recently had a new addition to the family and as I read the birth notices I was curious about one thing. Some births list both the husband and wife's name and some give just Mr. and Mrs. etc. . . . Why not have them all one way?

A NEW MOTHER

Editor's note: Most hospitals now give both parent's names in their birth notices but there are still a couple of others that use the old form. We prefer to list both names and do so whenever possible but we don't have the time to call routinely to find out the missing names. If you have

Hammer raises a new issue

City appointments under fire

By PAT SAFFORD

An opinion issued by the state attorney general last week may cause some problems for Campbell city officials.

Councilman Rusty Hammer said Monday he plans to bring up the issue of secret ballots on City Council appointments at tonight's adjourned meeting. And it may set aside (temporarily) the appointment of Planning Commissioner George Vierhus and Civic Improvement Commissioner Lillian Moore.

According to the report by Evelle Younger, presented to Assemblyman Richard Hayden, "A city council may not during a public meeting, make appointments to advisory commissions, committees and similar bodies by means of a secret ballot." And that's just how the two commissioners were appointed.

Hammer had earlier called for holding a role call vote on the appointments but was outvoted 3 to 1.

Younger's opinion was sought by Hayden, he said, in response to a question from a Los Gatos official. But since that decision came down he's been receiving calls from Palo Alto, Cupertino, Mt. View and Campbell, he said.

The six-page single spaced opinion from the Attorney General clarifies government code, section 54950, otherwise known as the Brown Act and the intent is to have official business conducted in the open. Hayden says the decision applies to school boards as well as cities and counties and plans to have copies sent out to the local school boards association this week.

There is one loophole, of sorts, to the public discussion and decision edict. And that may allow the city's six new Youth Advisory Commissioners to continue serving uninterrupted.

According to Hayden, "It appears that if they (the Council) had a straw vote behind closed doors it probably would be within the law." The six commissioners were interviewed and finalists selected by two councilmen.

But for Vierhus and Moore, their appointments may have to be redone.

"These things certainly can be corrected," Hayden explained. "They can revote (publicly) on the appointments."

But the state assemblyman did raise one sticky question. "I'm no lawyer," Hayden said," but if the appointments were made illegally any action taken (by them) would have to be reopened."

And if that interpretation is true, there'd be a flock of new public hearings to set for the Campbell Planning Commission.

HCD hearings

Downtown senior center sought

Campbell area seniors turned out in force for the public hearings on how the city should spend its $330,000 in Housing and Community Development funds next year. And that was apparent from the list of priorities that came out of the three public sessions.

First on the list was a senior center, "where senior citizens could meet, play cards, read, etc." Citizens felt it should be located near the center of town.

Tonight the City Council will hold a public hearing on use of the HCD funds. The meeting starts at 7:30 p.m. in the Council Chamber, 75 N. Central ave.

Other priorities for use of the funds, that came out of hearings, were:

- Funding for a senior citizen housing program. "To keep rents for seniors at an affordable rate and new assisted housing."
- Street improvements to Camden ave., between Dell and Winchester.
- Sidewalk and street improvements to Union ave.
- Selecting the San Tomas area as the target for housing rehabilitation, street lighting, street repairs and some recreation facilities.
- A stoplight at Rincon ave. at Winchester blvd.
- A stoplight at First st. and Orchard City drive.
- A left-turn signal for westbound traffic on Campbell at Union ave.
- Housing rehabilitation and beautification of the downtown Campbell area.

City staffers also came up with a proposal for the funds, presented earlier, and just one matches that which citizens came up with; housing rehabilitation.

According to a report issued by Thom McCue, HCD grant coordinator, the city could use the $330,000 for an architectural design for a new fire station, housing rehabilitation, the first steps in creating a semi-mall in downtown Campbell and for administration costs for the projects.

The city must submit their application for funds to the county by Dec. 15.

The one area of agreement between citizens and city staffers is for housing rehabilitation. During recent Housing and Community Development hearings two areas were suggested for a facelift; the San Tomas and downtown neighborhoods. City Councilmen meet tonight to discuss those recommendations.

Hearing postponed on 86 acre project

The San Jose Planning Commission, in response to Campbell's request and to the pleas of nearby homeowners, has postponed the public hearing on the huge development planned just outside the city limits.

Plans call for constructing commercial, office and high density residential buildings on the 86 acre site on Hamilton ave., between Leigh and Bascom avenues.

San Jose planners postponed the hearing on the Environmental Impact Report (EIR) to Wednesday, Dec. 15.

The reactivated Hamilton Area Improvement Association is expected to use that time to do their homework on the lengthy report. A hurriedly-called neighborhood meeting last month attracted over 100 concerned residents to Dover School to meet with project engineers. They're expected to fight the development on the grounds that the development will adversely affect the surrounding neighborhood.

The city's bone of contention is with the increased traffic flow. Campbell hired its own traffic engineer to study the proposal and contends that, when completed, the development would dump an additional 21,000 cars a day on the already traffic choked Hamilton-Bascon intersection.

Dick Hardy, a partner in the firm which owns the property, says he doesn't know what all the fuss is about.

First, that development is to be done in two stages with the commercial development adjacent to Leigh ave. first in line.

"We haven't even considered the second stage," Hardy commented.

According to the local man, San Jose requires that a complete plan for use of the entire parcel be submitted and that's why the office and residential proposal was made. "But that's way off in the future."

And besides, it isn't as if they're asking for a commercial use for residential property.

Plans call either for using the property as it is presently zoned. Or "down zoning" to a less commercial use than is allowed now.

Leading the local drive for the Salvation Army's Christmas fund drive is Rex Jeffers, Campbell businessman.

Planners eye play yard and triplex

Plans for a day care center, triplex and expansion of a fast food restaurant come before Campbell planners this Thursday, Dec. 2.

The Commission meets at 7:30 p.m. in the employee lounge at City Hall, 75 N. Central ave.

Lee Roy Tripp is asking approval of a play area for a day care center at 600 W. Campbell ave. Staff is recommending that the applicant provide a vehicular barrier next to ajacent San Tomas expressway as a condition of approval.

Kile Morgan and Highland Investments, Inc. are seeking approval of plans to construct a triplex on 224 N. Central ave. while the White House Restaurant, 134 E. Campbell ave. is seeking to use a building at 19 S. Third st. as an office, a restaurant commissary and expand their parking area.

BURGLARY SUSPECT ARRESTED

A 24 year old Campbell man was in custody on charges of burglary and receiving stolen property after two sharp eyed witnesses told police what they saw.

According to reports, the witnesses heard strange noises coming from a medical complex on Hamilton ave. last Friday after the offices were closed. They later observed a man leaving the building with a television set.

After they called in the license number of the car to Campbell police the search began.

Investigators traced the car through four owners (in the last six months) before they obtained the Campbell man's address.

After obtaining a search warrant they searched the home and found the television, with the dentist's name still stamped on the front.

A LOT OF GREEN STUFF

If you ran across a large roll of green shag carpeting on Camden ave., near White Oaks road last week a local carpet installer would be happy to hear from you.

According to police reports, the 22 by 12 foot roll, valued at close to $400, fell off the back of a pickup truck and disappeared before the driver could turn around and come back for it.

Two hitch hikers near the scene told the driver they saw "two guys" pick up the carpeting wrapped in brown paper and leave the scene.

PARK HIT AGAIN

Two light posts at John D. Morgan Park were reportedly broken off by vandals last week.

Value of the latest park damage was set at $200.

HIGH SCHOOL DAMAGE

Police believe supporters of the Los Gatos high school football team may be responsible for the $300 in broken windows suffered at Campbell high school last Wednesday.

The police report noted the windows were broken "on the eve of The Big Game."

And Campbell's football team won that game, for the first time in years.

Official told of cat poking incident

In allegations made by a former animal control officer, the one area which the department head denied vehemently was knowledge of cats being branded as "wild" so they could be killed immediately without waiting for the 72 hour holding period.

Last week a member of the Humane Society Task Force revealed that a letter, outlining a specific incident, was sent to county officials in June.

Neal Bohnet, chief of animal control, termed "unbelieveable" the charge by Ed Clarke that cats caught in traps were poked with sharp pencils so they'd react and could be branded "wild." And he may not have received a copy of the letter since it was among an estimated 200 which county officials received in the wake of the first news articles on the Humane Society allegations.

The letter, sent to Supervisor Geraldine Steinberg by a Palo Alto woman, details the "worst incident" in a long list of concerns. The couple, who offered to come forward and testify if necessary, related what they saw on a visit to the shelter to adopt a kitten.

They claim they saw the men unloading the trucks, tossing out cages with animals in them as roughly and carelessly as if they were handling freight. "Then, to their horror, they realized that the doors to the killing chambers were open and they saw a young man (a description follows) jabbing with a stick at a frightened, frantic cat in its cage and laughing before he thrust it into the killing chamber."

At that time, the Task Force member says, they thought it was a simple case of cruelty. But after Clarke's statements she now feels this was another "wild" cat.

A spokesman for Supervisor Rod Diridon's office said last week that the usual procedure when such specific charges are received is to send copies to the department head and often to follow it up with a phone call. But in this case, since such a flood of mail came in at one time, it may not have been done.

"In fact, Supervisor Steinberg may not even have seen the letter herself," the woman explained.

Have your say about rail plan

If you'd like to see a light rail transit system operating locally (or if you wouldn't) there'll be a chance to tell county transit officials your feelings tonight, Dec. 2 at Campbell City Hall.

One, in a series of public meetings on the proposal begins at 7:30 p.m. tonight at 75 N. Central ave.

The light rail proposal will be presented and members of the transit district Board of Supervisors will be available for questions and comments during the discussion period.

Citizen of year award goes way back to 1960

The Campbell Chamber of Commerce "Citizen of the Year for 1976" will be number nine in a long line of civic leaders honored locally. But the special recognition banquet goes back much farther than that.

In 1960 the first citizen named was Merv Nelson and from that time till 1966 one of the criteria was the number of new members the honoree brought into the Chamber.

In 1966 that changed, with Don Hebard named the Chamber Man of the Year. Hebard, now a member of the Planning Commission, had led the bond issue drive to acquire and build John D. Morgan Park.

Deadline for submitting names for this year's honoree is Dec. 17. For more information contact the Chamber office at 378-6252.

The winner will be selected from among nominees by a committee made up of five former winners and the surprise announcement will be made at the Chamber banquet on Jan. 28.

Former award winners include:

CITIZEN OF THE YEAR: Edith Morley, 1975; Dean Chamberlin, 1974; George Vierhus, 1973; Homer Hyde, 1972; Norm Paul, 1971; Neal Royer, 1970; Ben Gould, 1969; Jeanette Watson, 1968.

CHAMBER MAN OF THE YEAR: Don Hebard, 1967; Dick Hardy, 1966.

CHAMBER AMBASSADOR OF THE YEAR: Bill Oltman, 1965.

CHAMBER MEMBER OF THE YEAR: Oscar Sorenson, 1964; John Faber, 1963; Connie Russo, 1962 and Ted Regas, 1961.

Free throw contest slated in Campbell

Five Campbell area schools will be hosting the "Hoop Shoot" free throw contest, sponsored by the Elks Club and Campbell Community Services starting this Monday, Dec. 6.

Area youngsters from 8 through 13 will be competing for ribbons and a chance to represent this area in the county, regional, state and national finals.

Each contestant will get a total of 25 shots at the basket, as his or her official score, plus five warm-up shots. Tennis shoes and casual clothes should be worn for the tourney.

Community Services is supplying the basketballs.

For more information on the contest call 378-8141, ext. 252.

There's still openings in holiday camp

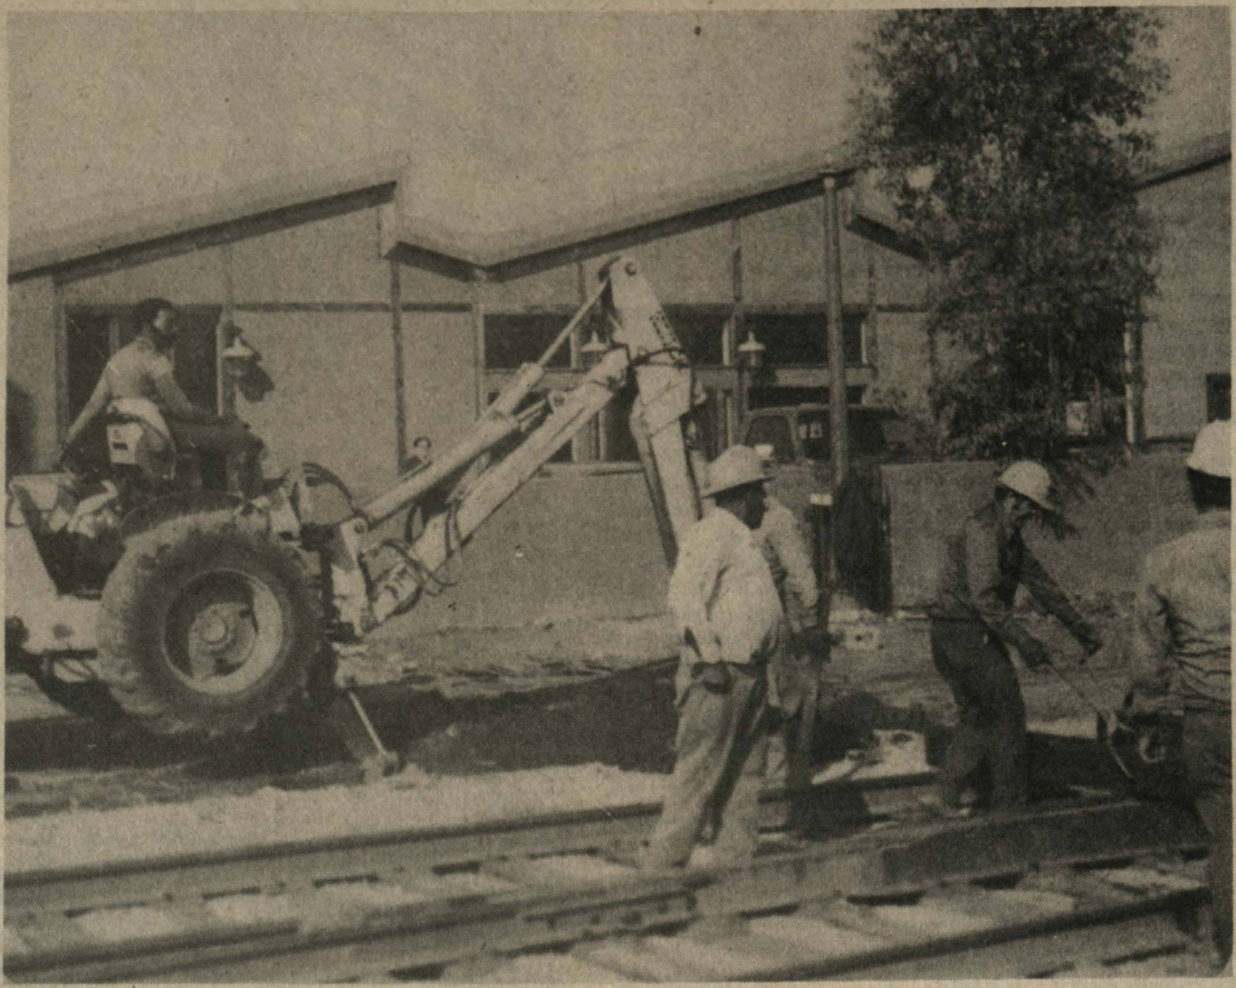
There's still time to sign up your imps for the Holiday Camp sponsored by Campbell Community Services.

The three-day camp gets underway at Campbell junior high school on Tuesday, Dec. 21 at 10 a.m.

Open to youngsters age 6 to 10, the Camp will feature holiday songs, tournaments, hunts for buried snowflakes and a chance to make Christmas presents.

Hours are 10 a.m. to 2 p.m. and the fee is $8 for the three day session.

Call 378-8141, ext. 252, for information or reservations.



THERE'S less railroad tracks in Campbell this week after Southern Pacific crews removed one of the old unused rails located next to The Factory last week. With the city's loop street construction, railroad workers have been a familiar sight here lately. Their next big project will be the installation of a signalized railroad crossing where Harrison street and the north loop meet.

There'll be no Santa at this holiday party

A GUEST appearance by the world's most famous pooch is planned for the Community Christmas Party at the Campbell library on Wednesday, Dec. 15.

Children of all ages are invited to the Snoopy Community Christmas Party at the Campbell library on Wednesday, Dec. 15 starting at 7 p.m.

The downstairs room of the 70 N. Central ave. library will be transformed into a party room with decorations, plenty of refreshments and a giant Community Christmas Tree.

Those attending are urged to bring along one ornament to help trim the tree that night.

Special guest will be, of course, that king of dogdom who'll make an appearance with a sack loaded with holiday goodies.

A community sing-along, entertainment and family games, led by Campbell Community Services leaders, will also be featured.

In keeping with the party theme, librarians and library workers will be attending as such well known personalities as Charlie Brown, Linus, Lucy, Peppermint Pattie and Shroeder. At last word a frantic search was on for a Woodstock costume.

Rural area will stay that way

Plans to convert a large parcel along Hacienda ave., between Burrows road and Abbott st., were denied by the City Council last week on a split vote. Voting against denial were Mayor Ralph Doetsch and Councilmen Dean Chamberlin.

The proposal by Herbert Orford, would have changed the zoning of eight parcels along that stretch, from low density residential to low medium density residential.

In an earlier hearing before the Planning Commission there was no recommendation when the vote was 3-3 in favor of the project.

strong feelings about it, a call to your hospital may do some good.

I was very disappointed in the CAMPBELL PRESS last week. It had nothing but sports on the front page and almost nothing inside. You can just cancel my subscription if that's what you're going to be printing.

UPSET

Editor's note: We received many similar calls (although most didn't ask to be cancelled) over our "extra" edition that came out early in the week. This was not the regular PRESS. That issue arrived Friday. Looking back, perhaps we should have made the distinction clearer. Any future extra deliveries will be noted prominently . . . on the front page.

While everyone's crying big tears over the plight of the poor cats being caught around here, what about the pesky dogs? Every week I have to clean up my garbage cans after the neighborhood mutts. And what really makes me mad is that these dogs never seem to bother their owner's garbage cans . . . just mine or the neighbors.

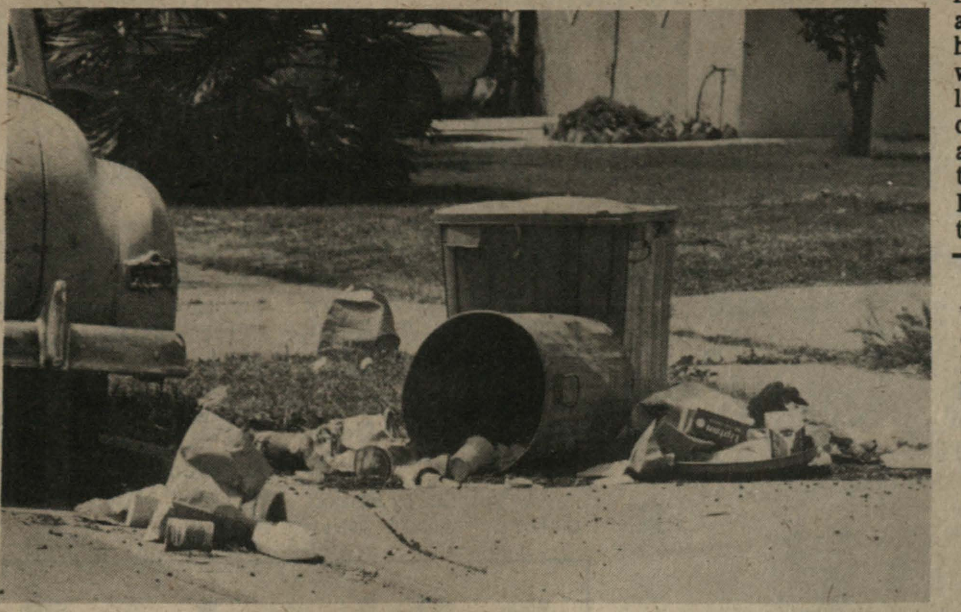
NO DOG LOVER

Editor's note: We had a picture in our files which fits your plight perfectly and I know how you feel. It happens to us almost weekly. Most cities have leash laws and you can complain to animal control about it. But first, try mentioning it to the neighbors. I'll bet they don't know their dog is the culprit.

This was the second week in a row that I couldn't find the horoscope. Last week you said it would be in this week.

MISSES COLUMN

Editor's note: Through error both weeks, the column was left out but it's back where it belongs in this issue. It's usually placed next to a supermarket ad and, when that ad changed dates by coming out earlier last week, Olga's column was forgotten. You didn't miss much though, it was a pretty uneventful week for most signs.



The canine litterbug

ONE CALLER last week had a bone to pick with dogs. In some areas all the neighbors get to see what you throw out on collection day . . . because it's all over the sidewalk.

letters

DEAR CAMPBELL PRESS:

I am a girl scout of St. Lucy's school, troop 565. I would like the community to learn more about girl scouts.

Could one of your writers come to one of our girl scout meetings to see what girl scouting is all about?

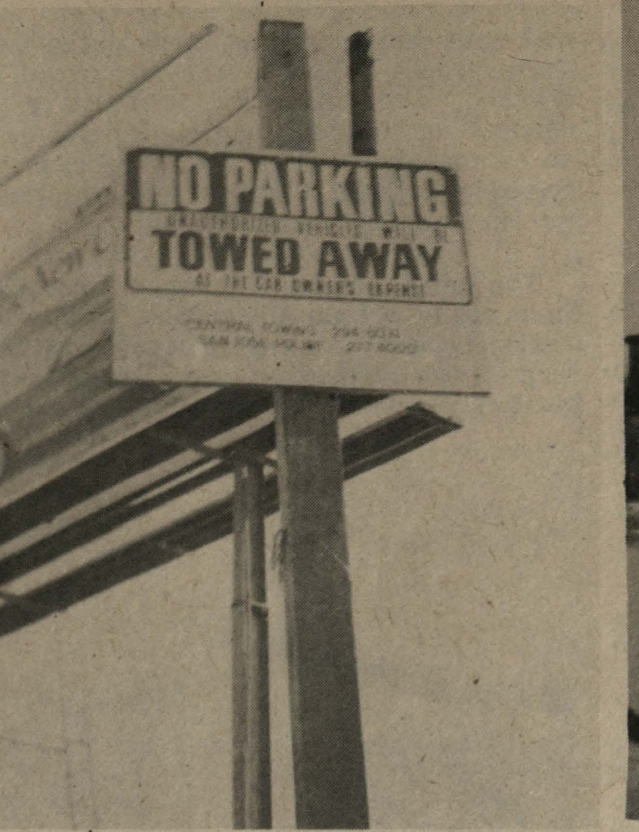
Maybe you would write a little about girl scouting in the CAMPBELL PRESS.

I thank you for your time in opening this letter and taking consideration in reading it and taking a little more time about thinking about it.

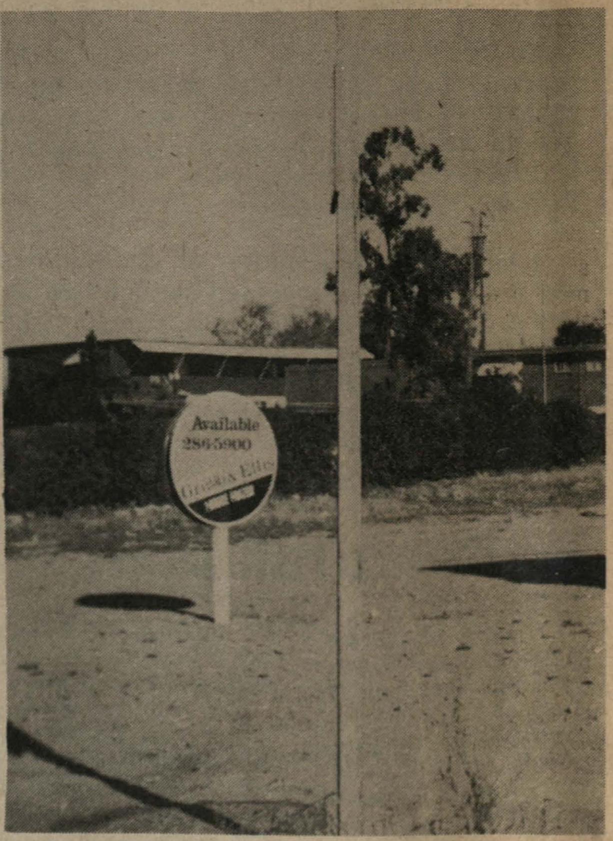
Signed,
Evelyn Calleja
Troop 565

Editor's note: We'd be happy to cover news of scouting in general and your troop in particular, but we don't have the staff to send out to your meetings. If you'll send us a letter telling us about what your troop is doing (and including your phone number so we can call you) we'll be happy to put the news of Troop 565 in the PRESS.

You can use your unemployment check to pay the towing charge



THE "No Parking" sign north of the Bascom ave. unemployment office is highly visible . . . if you're a pedestrian standing in the median strip. For motorists, however, it's placed so high that the car obstructs it completely. San Jose police planned to see that those signs are corrected this week.



BUT motorists making a right turn into the vacant lot have a clear view of the side of the sign. Those towed away from that site in recent weeks have no recourse as far as paying the towing charges but they can take the matter to small claims court to fight for a refund.

THERE ARE two other "No Parking" signs on the lot next to the Campbell unemployment office. But they're located about 125 feet back on the rear fence. The lot is a popular dumping grounds, with large chuck holes and the owners reportedly were sued by one "trespasser" who fell while parking to pick up an unemployment check.

Be a good 'fellow' in state assembly

College seniors and graduate students can apply for the fellowship program with the state assembly, Assemblyman John Vasconcellos announced recently.

Under the fellowship program, now in its 19th year, those selected receive an 11-month "working education" in the state legislature. Salary is $764 a month.

The program is open to those who will have completed their requirements for a four year degree by Sept. 1, 1977.

A total of 10 Fellows will be assigned to staff positions with members of the Assembly for five months, and then assigned for an additional half year with assembly committee. Tasks include researching legislation, assisting in committee business and working in both the district and Capital offices on specific projects.

Deadline for applications is Dec. 31 and appointments will be from Aug. 2, 1977 to June 30, 1978.

Applications are available from Vasconcellos' 23rd district office at 2435 Forest ave. or by calling 241-6900.

No more scrambling up ladders for set design students

West Valley College has a real "first" in the scale model of the campus theater designed by Instructors James Smith and Nick Neklason.

Its the first model designed for instructional use in this country.

And the model, which will be worth about $25,000 when finished, was designed and constructed from necessity. His set design students needed to use the theater, Smith explained, but "getting in there was a physical impossibility."

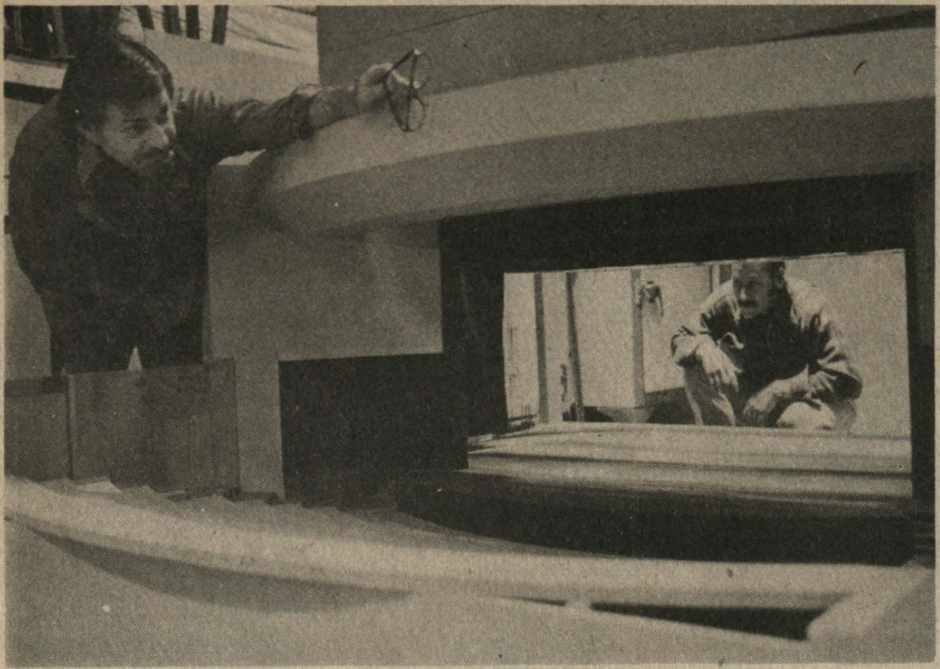
Because Smith knew only "enough about model building to be dangerous," he asked modeling instructor Neklason for a hand.

Their proposal for the miniature theater got the nod from the college's Committee for Instructional Development and a grant of $10,500.

Based on a scale of 1 inch to 1 foot, the model measures 8 feet long, 7 feet wide and 6 feet high. The wooden sides, top and back are removable, and every curtain and rigging in the theater is duplicated, as well as the paint and carpeting.

Instead of running around the theater, climbing ladders and lifting heavy equipment, set and lighting design students will be able to experiment with different techniques within a manageable area that is sturdy enough to move around on. Even costumes and makeup could be tried out on small figures, Smith added, emphasizing that everything "will appear as it would on stage."

The project, started last April, will take about four more months to finish, the builders said, but students will begin helping on it next semester.



INSPECTING their model of the Saratoga Campus Theater are, from left, James Smith and Nick Neklason, two West Valley College instructors who burned the midnight oil to put the miniature together. An additional four months of work is needed to complete the project, Smith says.

RED TAPE CUT DOWN FOR WORK PERMITS

Minors will have about half the red tape to wade through this year in obtaining work permits, the state department of education announced recently.

Paper work and clerical time has been reduced by 50 per cent, according to officials, through a new streamlined procedure. One form, a request for a work permit, is now issued by local high schools.

A second form, the work permit, must be filled out annually for each student who wants to work.

For information contact your local school counselor.

ONE OF THE favorite numbers in "The Nutcracker Ballet" performed by the San Jose Dance Theatre, is Mother Cupcake (Bee Cierebiej) and her 24 gingerbread cookies. Three of them are, from left, Karen Hill, Maria Eder and Caroline Green. This year's performance opens Dec. 17 at the San Jose Center for the Performing Arts. For ticket information call the San Jose Box Office.

There's four days left for applicants

This Monday, Dec. 6 is the deadline for submitting applications for the vacancy on the city's Civic Improvement Commission.

To date just two people have applied for the opening on the advisory commission that meets twice monthly on Thursday evenings.

Applicants include Rosalyn Bernstein, an executive secretary, 1845 S. Bascom ave. and Clarence Jones, 893 Harriet ave., a manager.

Forms for those interested in the Commission are available at City Hall, 75 N. Central ave. or by calling 378-8141.

Speaking against the proposal last week was Ed McCauley, principal at nearby San Tomas School and a resident, Joanne Fairbanks.

The woman, who lives at 1555 Hacienda ave., asked councilman to delay giving approval and said she was concerned with the impact of increased traffic on the safety of children walking to school.

Warm week for Leo

(Week of Dec. 4 — Dec. 10)

ARIES (March 21-April 19): Careless words can result in sticky situation with you, Ari, getting caught in a web of your own spinning. Avoid confrontations with adversary. By the light of the silvery Full Moon, keep secret promise made to loved one.

TAURUS (April 20-May 20): Domestic life (and strife?) take top billing. Outsider may try to muscle into your private preserve. Head this intruder off at the pass. You know what happens when the camel gets his head inside the tent? Pretty soon . . . no tent! You get the message.

GEMINI (May 21-June 20): Open your heart to loved one, Gem. Forget old bruises. Week can be fruitful if you remember that all of your tomorrows can depend on how you behave today.

CANCER (June 21-July 22): Pressure mount. Try not to be an old grouch, for other observe your reactions with uncommon interest. Full Moon shines on beckoning path. Don't follow. Instead, Moonbaby, blaze new trail of your own. Message clears.

LEO (July 23-Aug. 22): There's a Libra in your future, Leo, whose charm will have you walking into walls. You are fire and Libra is air, and since fire needs air to burn . . . you should count on a warm week. Yes, indeed.

VIRGO (Aug. 23-Sept. 22): Mood of partner/mate apt to be highly volatile. Detente can be achieved by restraint on your part. Saj is in the picture. Should Bacchus crook his boney finger, Virgo, turn thumbs down.

LIBRA (Sept. 23-Oct. 22): Truth dished out this week, Libra, and experience won't exactly be a bundle of laughs. However, you will gain insight into nature of personal problem. Week traipses to an interesting conclusion.

SCORPIO (Oct. 23-Nov. 21): The most important week of your life is not the one just past, Scorp, nor is it one in the distant future. It is this week. It is NOW. Treasure each day as you would a precious gift, for in truth that's what each day is. Week ends on note of joy.

SAGITTARIUS (Nov. 22-Dec. 21): Challenge lies ahead. Keep sneakers handy, Saj, for fancy footwork may be your only salvation. Intrigue knocks. As you open the door (and, of course, you will!) your pulse races. Week ends on key of C for conundrum.

CAPRICORN (Dec. 22-Jan. 19): You and the Full Moon send out strong signals. One who has been a bit difficult turns into an absolute lamb. Others come around to your views. On last day, Cap, you are chooser . . . not beggar.

AQUARIUS (Jan. 20-Feb. 18): This week, Aquari my friend, you are motivated to make important personal decision. Basic changes involved. You catch the passing parade. Rummy-tum-tum.

PISCES (Feb. 19-March 20): Ties that bind tangle. One who is cantankerous can be quieted by tact. Don't exhume old bones. Full Moon takes its toll and by last day, Pisces my love, you are more than willing to settle for a little wry on-the-rocks.

Program to be topic for PTA

In view of the problems related to the increasing numbers of teenager pregnancies and the rise of birth defects among the babies to those young mothers, the Sixth District PTA (countywide) will give a presentation on the Young Mothers Program, operated by the San Jose Unified School District, at their Dec. 6 meeting.

Business meeting will be 9:30 a.m., and the program will start at 10 a.m. at the Office of Education, 100 Skyport, San Jose.

The program is designed to help the young pregnant mother and keep her in a school situation. The meeting will include a panel of young girls telling about the school, their problems and future outlook.

DODGING DON — Del Mar Don running back Geroge Rodriguez dodges a Camden defender in last week's 25-8 loss to the Cougars at Camden. The Dons wound up in last place in the WVAL because of the loss, finishing the season with a 2-5-1 record. (Photography by Danny Carmain)

Cougars top Del Mar 25-8

THE CAMDEN COUGARS just finished a hot and cold season in the West Valley Athletic League football race.

One week the Cougars would be unstoppable and just a week later they could do nothing right. That's the way it was all season long.

And it was no different for the Cougars in the last two weeks of the WVAL season. Camden was cold in a 35-12 loss to Branham but came back with a hot performance for a 25-8 victory over Del Mar on Thanksgiving Day.

"They played their best game of the year," said Del Mar coach Jim Clifton after his Dons lost to Camden to finish the year in last place in the WVAL.

The teams went into the game with last place on the line. Camden won the game to pull out of the cellar, in fact pulling out to a tie for third place with a 4-4 record, and the Dons dropped to the basement to finish the year at 2-5-1.

"They looked very good," said Clifton of the Cougars. "We got to (Jeff) Hill just once and we figured that's what we had to do to win. They did a great job of picking us up on our stunts."

Camden rolled out to a 25-0 lead and coasted to the victory despite a fourth quarter score by the Dons.

BOB ONETTO, who sparked the Don offense all day, capped a 60 yard drive in the fourth period when he blasted over from the one for six points. Jeff Lane flipped to Yogi Taylor for the two point conversion.

"A couple of good passes from Lane to Taylor and (George) Rodriguez were the big plays in the drive," said Clifton.

"We had about two or three good drives in the game, but we just couldn't capitalize," said the coach. "We had too many inconsistencies."

Onetto led the offense for the Dons, rushing for 87 yards on 12 carries to finish his senior season with over 700 yards on the turf.

Lane completed five of eight passes for 93 yards, hitting Taylor three times for 46 yards and Rodriguez twice for 47 yards.

"We wanted to throw more, but they put good pressure on us," admitted Clifton. The coach was pleased with the work of tackle Pete Angelidakis in the offensive line.

"Defensively we didn't play that well overall," he added. "They didn't have a lot of trouble with us."

Middle guard Mark Herrera and linebackers Larry Oreglia and Ernie Watkins were the defensive standouts in the game for the Dons.

Del Mar finished the league season with a 2-5-1 record and ended the year with an overall record of 3-6-1.

"We should have done much better this year," said Clifton.

Burns, Ryan lead the way

Campbell upsets 'Cats to end LG domination

THE LOS GATOS Wildcats still had a shot at the West Valley Athletic League football championship last Thursday when they traveled to Campbell high school for their annual Thanksgiving Day battle with the Bucs.

The Bucs, on the other hand, had fallen from the WVAL title chase two weeks earlier and were decided underdogs in their 43rd annual meeting with the 'Cats. But neither of those facts dampened Campbell's desire to upset the defending league champions. And that's just what they did.

Campbell, combining a fierce defense with a solid ground game, nudged the Wildcats 24-22, eliminating LG from title contention. As it turned out, the Wildcats wouldn't have bagged the league crown anyway as Branham pulled out a 27-26 decision over the Prospect Panthers.

Nonetheless, Campbell's victory was sweet. It ended a seven year domination by the Wildcats in the series, during which time the best the Bucs could manage were ties in 1969 and 1971.

Los Gatos' lead slipped to 24-16-3 in the series that first began in 1934. Campbell had last won in 1968 when the Bucs crushed LG 53-14.

Both teams finished the season with identical 4-4 records to share third place along with the Prospect Panthers and the Camden Cougars. Campbell ended the year with a 5-5 record overall.

IT WAS CAMPBELL'S ability to score its conversions that proved to be the difference in the game.

After Campbell had tallied eight points in each of the first three quarters, Los Gatos, trailing 24-16, punched across its third touchdown of the game with 9:35 to go in the fourth period.

Wildcat quarterback Rob Comeau hit Dave Langlois from 13 yards out for a TD that cut Campbell's lead to just two points.

But the Bucs were able to preserve that lead moments later when Kevin Smith and Steve Sexton teamed to stop Los Gatos running back John Breidenthal short of paydirt on his conversion run try.

While Smith and Sexton came up with the game's biggest defensive play, it was linebacker Mark Ryan who was the real hero of the day for Campbell.

Ryan led all Buc tacklers with eight hits and intercepted two passes on defense in addition to carrying the ball seven times for 38 yards and a touchdown on offense.

Bruising fullback Dave Burns, whose late season surge netted him the league scoring crown, got the Bucs rolling in the first quarter when he bulled his way into the endzone from three yards out. Burns also ran for the two point conversion, the seventh time this season that he had picked up a two pointer.

Galen Strannigan's 52 yard kick-off to open the game helped to set up Burns' short TD run, giving Campbell a first down at the Los Gatos 18. It took the Bucs sic plays to get into the Wildcat endzone.

Los Gatos came back in the opening minutes of the second period on a touchdown pass from Comeau to John Crompton covering 32 yards.

COMEAU THREW for all three LG touchdowns in the loss, and accounted for 211 of the Wildcats' 262 net yards with his passing. Crompton was his main target, hitting the Los Gatos receiver five times for 152 yards.

Campbell regained the lead minutes later when M. Ryan completed a 46 yard drive with an 18 yard TD bolt on a draw. Quarterback Dan Trinidad then threw to Dave Wagner for the conversion.

Los Gatos tied the game again before halftime on another Comeau to Crompton hook-up, this one covering 28 yards. Breidenthal, as he did following the first score, ran for two points.

Jag stats impressive in championship season

IT ISN'T hard to figure out how the San Jose City College Jaguars were able to annex their second straight Golden Gate Conference championship recently. All one has to do is look at the final GGC statistics, released last week by the league office.

The Jaguars led the GGC in team defense and finished second in team offense while romping to a 9-1 record, which earned them a berth in post-season play.

San Jose averaged 362 yards of total offense per game while limiting their opponents to just 226 yards on the average.

Although they possessed the second worst passing attack in the GGC (De Anza's was the worst), San Jose was the top running team by a large margin. The Jags rambled for 2,655 yards as a team compared to De Anza's second place total of 1,925 yards.

Four San Jose rushers wound up in the GGC's top 15 in individual statistics. Casey Wingard led SJ with 885 yards on the year, fourth best in the league. Tom Sheppard (Silver Creek) was seventh with 480 yards, Ray Garcia was 12th with 386 yards and Mike Martin was 14th with 368 yards.

SJCC's Mike Johnson was seventh in all-purpose running, ringing up 909 yards on kick returns, rushing and pass receiving.

Sheppard, meanwhile, ranked fifth in total offense with 1,089 net yards on the strength of 480 yards rushing and 619 yards passing. He was the 11th leading passer in the GGC, completing 36 of 86 passes (42 per cent), and fifth in punting with a 33.8 average.

IN THE LEAGUE scoring race, Johnson tallied 48 points on eight touchdowns to finish fourth, just 12 points behind league leader J. J. Johnson of Laney. Wingard was tied for sixth with Bill Ring of the College of San Mateo with 42 points easy.

San Jose place kicker Jesse Saenz (Pioneer) was the third leading kick scorer with 41 points, converting 26 of 30 PAT tries and five of 15 field goal attempts.

San Jose's Joe Thomas tied the GGC lead in interceptions along with Laney's Roy Hamilton, both defenders picking off seven passes on the season.

Although West Valley suffered through a disappointing 4-6 season, the Vikings had their bright spots individually.

Dwight Perkins (Saratoga) and Rich Orlando (Branham) both wound up among the top 15 rushers with 432 and 386 yards, respectively.

Marty King (Bellarmine) copped the punting crown with an average of 41.9 yards a boot.

Steve Hosmer (Los Gatos) finished third in total offense with 1,292 yards and sixth in passing statistics, completing 70 of 155 passes (45 per cent) for 962 yards. Don Stillwell (Westmont) caught 16 passes for 271 yards while Wade Fearnside (Del Mar) caught 15 for 255.

Rich Eagle came in second in the kick scoring race behind Chabot's Steve Duncan with 48 points. The WVC booter converted 26 of 30 PAT attempts and 12 of 21 field goal tries.

Leigh cage tournament

THE FOOTBALL uniforms aren't even out of the washing machine yet, but the attention is already turning to the basketball courts out at Leigh high school.

The Longhorns are set for the 1976-77 basketball season and will get off to an early hoop start this week when they host the first annual Leigh Invitational beginning Wednesday, Dec. 1.

Leigh will host Campbell, Leland and Independence, in the four team tournament that will run Wednesday, Thursday and Friday of this week. Games will be played each night at 7 p.m. and 8:30 p.m.

Leigh, who will compete in the Seaside Classic the next weekend, will be led by returning all-leaguer John Russo this season.

Panthers in bitter defeat at Branham

By DAVE MONDONCA

WHAT COULD HAVE been the sweetest victory in Prospect high school's history, wound up being the most bitter defeat the Panthers have ever suffered last Thursday morning at Branham.

The Panthers, with a shot at the first West Valley Athletic League football championship in their history, let a 26-20 lead slip through their fingers in the final minutes of the game as the Branham Bruins came back to capture a 27-26 triumph.

Branham, by beating Prospect, claimed sole possession of the WVAL championship, the Bruins' second in three years. Branham wound up with a 6-2 record while the Panthers ended with a 4-4 log.

Had Prospect won, the Panthers would have shared the league crown with Branham and Leigh but would have represented the WVAL in the Central Coast Section play-offs.

The Panthers never led in the game until midway through the fourth period when Steven Hill's fumble was recovered in the Bruin endzone by Prospect's Rick Asturias for a touchdown that snapped a 20-20 tie.

IN A PLAY that later proved costly because of its failure, the Panthers attempted a two point conversion pass after faking a PAT kick. But Hill's pass fell incomplete, leaving Prospect with a six point lead and only 7:46 left.

The Prospect defense had trouble stopping the Bruins' awesome ground game all day long. But inspired by their lead, the Panther defense suddenly came to life and halted a Bruin drive that had reached the Prospect 34 with only 5:47 remaining to be played.

Things really looked good for the Panthers when Asturias broke the next play for an 11 yard gain that moved the ball out to midfield.

Asturias' run appeared to be a big one for the Panthers. Now even if they failed to pick up another first down, a Prospect punt would put the Bruins deep in their own backyard with little time remaining.

But after two runs failed to produce a yard, Hill tried to run for a first down on an option keeper. Hill, attempting to move the ball from one hand to the other, lost the handle of the pigskin and Bruin defensive back Rick Tarter came up with it at the Branham 48 with 4:01 left too play.

Eight plays later, Branham qb Bill Tantillo, who started the drive with a 28 yard gallop, dove into the endzone from a yard out to tie the game up with 39 seconds to go.

A TIE WAS ALL Branham needed to win the league title outright, but Larry Terronez snapped the deadlock anyway with a perfect extra point kick.

Most teams would have given up at that point. But the Panthers had earned a shot at the league crown with gutsy, never-say-die football. So the resilient Panthers. bounced right back and almost pulled off a miracle victory.

Following the kick-off, Prospect took over possession of the ball at their own 39 yard line with only 39 seconds left to play.

Hill dropped back to pass but his aerial was incomplete. The Bruins committed a personal foul on the play, however, to move Prospect to the Branham 46 with 19 seconds left to play.

Branham was penalized 14 times in all on the day for 107 yards worth of losses.

Hill then tossed a short flare pass to Tom Morgan for a 13 yard pick-up to the Branham 33 with just 13 seconds left.

Two incomplete passes followed, though, and with two seconds remaining the Panthers were forced to try a 50 yard field goal. Dave Angerole's valiant attempt fell well short of its intended destination.

UNTIL ASTURIAS had put the Panthers ahead in the opening minutes of the fourth quarter, Prospect had either trailed or been tied with Branham for the entire afternoon.

After Branham went ahead 7-0 on its first possession of the contest, Prospect rallied to tie the game on a 20 yard touchdown pass from Hill to Asturias on the first play of the second quarter. Angerole booted the extra point.

The Panther drive consisted of seven plays and covered 65 yards. Asturias accounted for 54 yards of the drive, toting the ball four times for 34 yards and catching the one pass for 20 yards.

Branham regained the lead, 14-7, with 4:25 left in the half. But Prospect came roaring back again, marching 67 yards on four plays to tie the game.

Hill, who started the drive with an 11 yard pass to Tim Edmounds, ended the march with a 50 yard run down the left sideline on an option keeper.

Hill carried the ball 13 times on the day for 90 yards in addition to completing seven of 10 passes for 82 yards.

"You have to give him (Hill) credit," praised opposing head coach Chuck Maraldo. "He ran over people with some good hard running."

THE BRUINS went back in front, 20-14, with 4:14 left in the third period. But Prospect answered with a nine play, 75 yard march that ended on the first play of the fourth quarter.

Hill, dropping back on fourth and goal from the one, found Bill Stokes on a look-in over the middle just as he was hit by Bruin linebacker Scott Hoefling for a touchdown.

Angerole's bid to snap the tie with his extra point try failed when he hooked the ball to the left.

The Panthers then got the first break of the game on the ensuing kick-off when Angerole recovered a Branham fumble at the Bruin 33.

Six plays later, Hill rolled around right end and just as he was about to cross the goalline he was hit hard, jarring the ball loose. Asturias, however, alertly recovered the ball for a touchdown.

Asturias had a fine day in the loss, carrying the ball nine times for 64 yards in addition to catching two passes for 32 yards.

Although both offensive units dominated the game, the Panthers received a few stellar defensive performances.

Arick Levin led all tacklers in the game with nine while Terry Galloway made seven and both Walt Garrison and Bruce Felt each made six. Chipping in with five sticks apiece were John Galisano and Mike Cetenich. Larry Hovland, Hill, and Lance Feldman all made four tackles.

Berets triumph

TOM SILVA and Joe Lynam combined to sack the quarterback for a safety Sunday, Nov. 21, with just 16 seconds left in the game to lift the Silver Berets of the West Valley Touchdown Club to a thrilling victory over South San Jose's Oak Grove Ramblers.

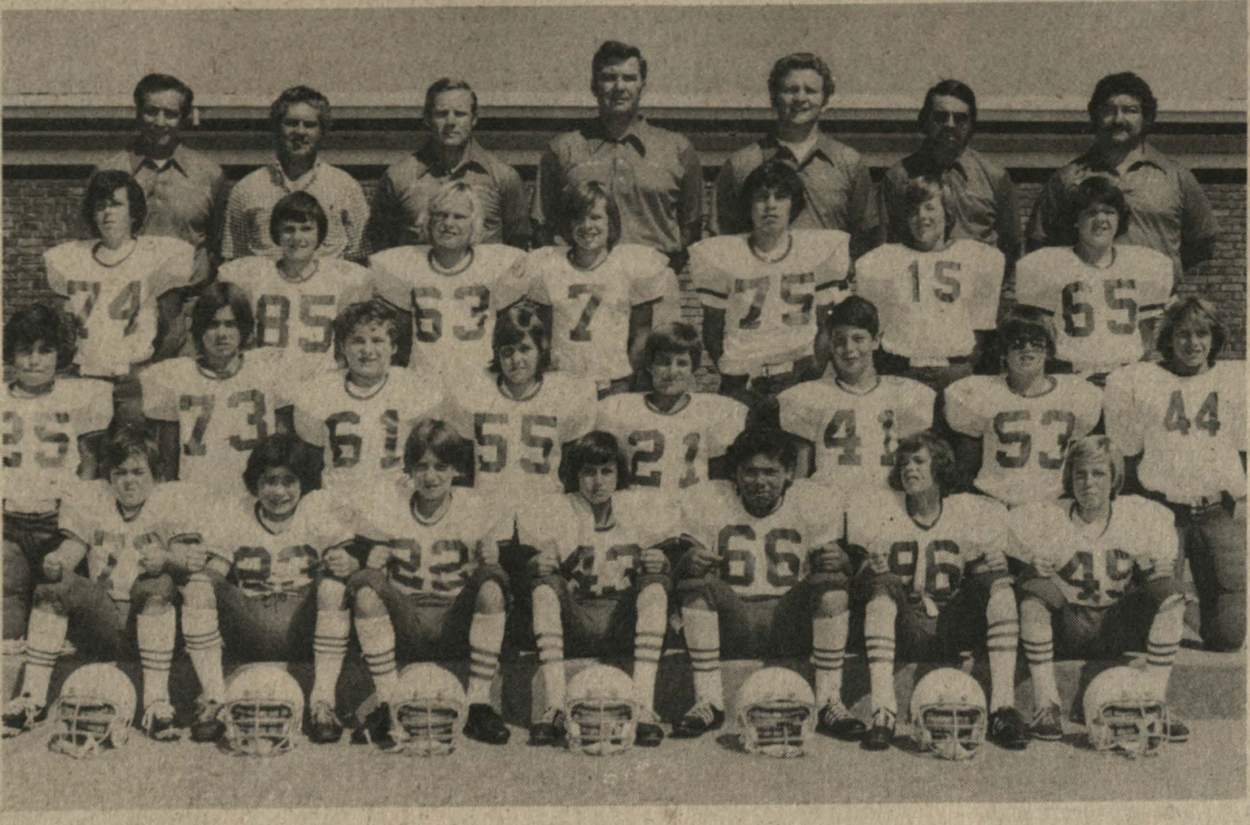
The victory gave the Berets the Northern California Police Athletic League championship in pee wee division play.

The pee wee division is made up of Campbell youths ages nine through 11 and weighing between 65 and 95 pounds.

The Red Berets, meanwhile, claimed second place in the midget division by stomping the Enterprise Eagles of Enterprise, California 38-12, Saturday, Nov. 20.

The midget division is made up of boys 10 to 12 years of age and weighing 95 to 110 pounds.

The WVTC also has a midget division club known as the Gold Berets, composed of boys 11 to 14 and weighing 115 to 125 pounds.



RED BERETS — The 1976 Red Berets of the West Valley Touchdown Club included Mike Hanich, Bill Neal, Steven Koontz, Ron McKnight, Bill McKean, Chip Venezio, Andy Baker, John Murdick, Mark Agliolo, Mike Lee, James Robinson, John Grace, Jerry Zaro, Nick Berg, Jack Cloutier, Anthony Gary, Curt Cabaniss, Scott Athearn, Ed Lopez, James Delp, David Lara, Kevin Kelly, James Bowron, Paul Grabill, Griag Hersh and Mat Sicard. The coaching staff consisted of Lee Neal, Gary Moos, Ernie Lara, Walt Koontz, Ray Zuro, Bob Gutierrez and Mike Perrine.

Warriors blow 21-0 lead, succumb to Leigh rally

By DICK SPARRER
Sports Editor

JUDGING BY the way things were going for Westmont in the first half against Leigh, and judging by the way Eric Stark was running the football, it looked like nothing could stop the Warriors from wrapping up their 1976 West Valley Athletic League season with a Thanksgiving Day win.

Stark ran for 105 first half yards to help Westmont jump out to a 14-0 first half lead against Leigh. And the Warriors struck fast in the third period to up that lead to 21-0 with just over 19 minutes left to play in the game.

But never count out a team that's got a shot at a title. Leigh had a shot at a share of the WVAL crown going into that game with Westmont and came up with 31 points in the last 17 minutes to register an impressive 31-21 victory.

Leigh needed a Prospect win over Branham to get a piece of the WVAL top spot. But Branham nipped the Panthers 27-26 to claim the crown with a 6-2 record. Leigh finished the year with a 5-3 mark to take sole ownership of second place.

Westmont dropped to a 3-5 in league play with the loss and all the way to eighth place in the WVAL. A Warrior win would have given Westmont a piece of second place in the loop.

Behind the hard running of Stark and the pinpoint passing of Randy Scacutto, Westmont jumped out to an early lead against Leigh.

AFTER LEIGH hooked up on a 45 yard pass play to the Warrior 23, Alan Nobriga and Bill Stouffer combined to stop a Longhorn for just a two yard gain and Rocky Pena turned a Leigh pass into a yard loss.

Greg Gorman sacked the Leigh quarterback for an eight yard loss to force the green and gold into a punting situation.

Westmont took over at the nine and put together an ominous 91 yard, 19 play drive that took up most of the first quarter and resulted in the game's first score.

Scacutto went seven yards on a rollout for the touchdown with just 50 seconds left in the first and Rick Alvear kicked the extra point to make it 7-0.

Stark carried 11 times for 54 yards on the drive and Scacutto tossed to Greg Athearn for eight yards and Craig Scadden for 10 to set up the score.

The Warrior defense held again with Mike O'Day and Steve Austin turning in key plays to force Leigh to punt again.

Westmont took over at the 30 this time and drove 70 yards in nine plays with Stark and Scacutto again playing important roles.

Scacutto tossed to Pena for 14 yards and for seven yards and Stark carried six times for 50 yards to take the Warriors to their second TD.

Stark capped the Westmont drive when he went 21 yards on a draw play for six points with 6:46 left in the half. Alvear's kick made it 14-0.

Westmont drove for a score the first time it had the football in the second half, thanks largely to three major penalties against the Longhorns.

Scacutto tosses to Pena and Scadden helped the Warriors on their way to the endzone and Stark carried nine times for 19 yards on the drive, including the final two yards for the touchdown with 7:14 left in the third. Stark dove over right tackle for the score. Alvear's kick upped the score to 21-0.

A BIG PLAY in the drive came three plays before the touchdown when Stark fumbled on the 10 but Pat Riley recovered for the Warriors.

That's when the Longhorns started to fight back. Leigh scored less than three minutes later on a 34 yard pass play and added the two point conversion.

After Westmont was stuck with a safety, Leigh scored again to make it 21-17.

The Warriors started to move after Leigh's kick-off. Stark carried twice for 28 yards and a penalty took the ball to the Leigh 26 for a Warrior first down.

But two penalties took Westmont back to its own 45 and even a 22 yard Scacutto pass to Pena wasn't enough for the first down. Westmont lost yardage on the next two plays and an errant pass on fourth down gave Leigh the ball on the 32.

Leigh took the ball and drove 68 yards for what proved the game winning touchdown. The Longhorns came back with a TD late in the quarter to close out the scoring and clinch the win.

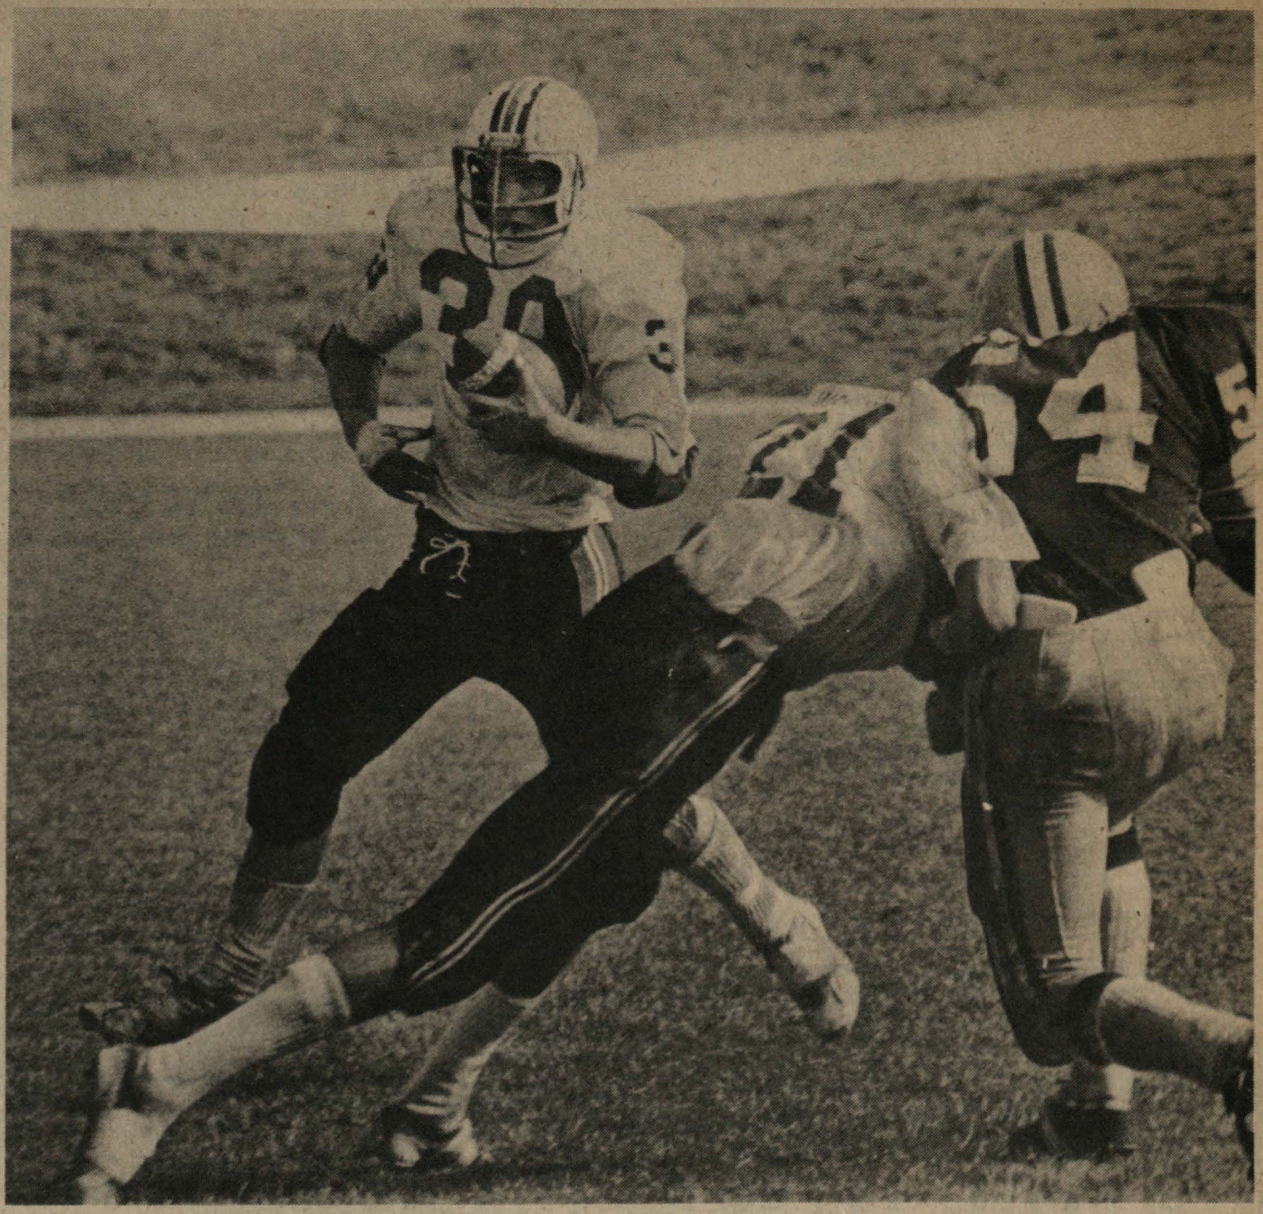
Stark was outstanding offensively for Westmont in the game, along with Pena.

The Westmont tailback carried 34 times for 161 yards to lead all ball carriers in the game. Pena grabbed seven passes for 83 yards for Westmont.

Scacutto was 11 for 20 for 95 yards in the contest, but was intercepted twice. Scadden caught two passes and Stark and Athearn each snagged one to go with Pena's seven.

Nobriga and Stouffer led the Westmont defensive effort in the game along with Gorman and Scacutto. Gorman and Eric Johnson each sacked the Leigh quarterback and Scacutto and Scadden each picked off Longhorn passes.

Riley, Glen Gilliam, Shawn Hurt, Jeff Rhodes and Athearn also made key defensive stops in the game for Westmont.



BIG BLOCK — Westmont running back Eric Stark, who rushed for 161 on 34 carries, receives a big block from wide receiver Rocky Pena in last week's Thanksgiving Day battle with the Leigh Longhorns. Leigh battled back from a 21-0 deficit to topple the Warriors 31-21 in their annual meeting.

ROLL OUT — Rolling out to his right is Westmont Warrior quarterback Randy Scacutto in last week's disappointing 31-21 defeat at the hands of the Leigh Longhorns. Scacutto gave the Warriors an early 7-0 lead with a seven yard touchdown. But Westmont eventually blew a 21-0 lead.

Barragan nabs 14th

JAVIER BARRAGAN of Campbell high school finished an outstanding 1976 cross country season for the Buccaneers with an impressive finish at the Central Coast Section finals.

Barragan romped to an individual 14th place over the 2.85 mile distance at Coyote Park clocked at 15:01.

Barragan was 14th, but was the second West Valley Athletic League runner to cross the finish line. Only Leigh's Paul Brewer (third at four at 14:35) finished ahead of Barragan from the WVAL.

Rainbows split twinbill with highly touted Hornet batmen

DESPITE THE fact they are playing against mainly college age teams, the young Del Mar Rainbows continued to prove they can be competitive even against the best of teams last Sunday by splitting a doubleheader against the highly touted Hayward Hornets.

The Rainbows, who played against AA Semi-Pro teams during the first half of their Winter League baseball season, are one of the few AA teams who haven't dropped out during the second half. The Hornets, an AAA club, probably wish they would have.

Hayward, a team composed mainly of players from Chabot College (which went 24-0 two years ago and won its league championship last season), needed a seventh inning double to snap a 1-1 tie in the nightcap of last week's win to produce their split with Del Mar.

The Rainbows had taken the first game 8-3 behind the hitting of Eric Richesin and the combined pitching of Jeff Blobaum and Tom Harris.

Blobaum, who improved his Winter League record to 5-2, scattered five hits and five walks before giving way to Harris with two outs in the sixth.

HARRIS, a southpaw senior at Del Mar high school this year, inherited a bases loaded situation but quickly struck out the Hornet's lead-off hitter on three pitches. He then retired the side in order in the seventh to gain the save.

Del Mar grabbed a 1-0 lead in the first inning on a triple by E. Richesin and a sacrifice fly by Doc Medica.

But heading into the bottom of the fifth the Rainbows were trailing 2-1. Blobaum opened the fifth with a single to left and moved to second on Craig Richesin's drag bunt single.

One out later, E. Richesin clouted his second three bagger of the day, driving in the tying and go ahead runs. Medica, who turned in three sparkling defensive plays at third base, drove in another run with a perfect suicide bunt.

Player-manager Gary Cunningham started things going again with a single to right and came home on Mark Intrieri's triple. Intrieri scored on Tom Bell's base hit to left.

In the second game, Hayward took a 1-0 lead in the first off starter Harris. But Del Mar tied the game in the third.

E. Richesin led-off the frame with a single but was out trying for third on Steve Esau's double. Back-to-back infield singles by Cunningham and Kent Ohmann plated Esau.

BELL, WHO relieved Harris in the second inning, no-hit Hayward until the bottom of the seventh when he gave up the double that unfortunately beat him following a two base error by the Del Mar defense.

A highlight of the twinbill split was the extension of Cunningham's season long hitting streak. Rapping one hit in the first game and two hits in the second, Cunningham stretched his hitting streak to 18 games in a row.

Cunningham is still a long ways from a hitting streak by the father of Rainbow first sacker Yogi Taylor. Taylor's father, Cy Taylor, hit in 42 consecutive Semi-Pro games during 1942 as a lefthand hitting infielder for Franco Markets.

"I won't rest until I have Cy's record," chuckled Cunningham.

Bells, Knights collide in battle of unbeatens

IT'S A SHAME that Los Altos and Bellarmine have to meet in the first round of the Central Coast Section football play-offs. They would have made perfect opponents for a championship game.

But only one team will still have a shot at CCS gold following their collision tonight (Wednesday) under the lights of Spartan Stadium — and the Bells are hoping it will be them.

Both Bellarmine and Los Altos take perfect 10-0 records in to their 7:30 p.m. meeting tonight having breezed to the West Catholic Athletic League and Santa Clara Valley Athletic League championships, respectively.

"They are truely an outstanding defensive team," said longtime Bellarmine head coach John Hanna in praise of the Bells' foe.

Describing Los Altos' defense as outstanding is a bit of an understatement. Incredible is probably a better adjective.

Los Altos, after giving up 10 points in its season opening victory over Salinas, proceeded to post eight consecutive shut-outs before Mt. View finally managed a field goal against the Knights in their regular season finale.

"No one has been able to move the ball against them this season," noted Hanna, who is in his 24th year as the Bells' head coach. "And that's something we're going to have to do."

BELLARMINE'S offense, however, may be just the team to break through Los Altos' stone wall defense. The Bells rang-up 329 points in 1976, thanks mainly to an awesome ground game.

The Bells' ground game is so strong, in fact, that their leading rusher on the season won't even be a starter in the offensive backfield.

"We feel we're in top condition right now," Hanna said. "The kids know what they have to do to win. If we can't beat them now we never can."

Rebboah, Forte vault Bells to WVAL title

WHILE MARC Rebboah surpassed the 1,000 yard mark for the second straight season, little Troy Forte stole the spotlight recently as the Bellarmine Bells crushed the Sacred Heart Irish 45-14 to clinch their second consecutive West Catholic Athletic League Championship.

Rebboah, still not 100 per cent physically, managed to carry the ball seven times for 82 yards to wind up the season with 1,073 yards in 141 tries, an average of 7.6 yards a crack.

But it was Forte, a 5'9", 145 pound junior, who stole the show with a brilliant three touchdown performance. Forte, who carried the ball a dozen times for 193 yards, bolted for touchdowns of 79, 51 and two yards in length.

Forte's performance spurred the Bells to their 10th straight win of the season and right into the Central Coast Section playoffs. Bellarmine opens CCS play Wednesday, Dec. 1, against the Los Altos Knights at Spartan Stadium in a 7:30 p.m. contest.

The Knights, winners of the Santa Clara Valley Athletic League, are also 10-0 on the season and feature a remarkable defense that allowed no touchdowns and just one field goal in nine league games.

The Bells are 0-1 in previous CCS competition, falling to the Leland Chargers last year in opening round play.

AGAINST Sacred Heart, Kevin King, Rick Amor and Dan Mash also ran for touchdowns as the Bells accumulated 485 of their 498 net yards via the turf. King ran five yards for his score while Amor dashed 29 yards and Mash scampered 44.

Ned McIver booted five extra points in the rout while the defense recorded a pair of safties.

Defensive standouts in the win included Rebboah, who picked off a pair of passes, Sean Crowley, Greg Gaffney, Ted Cercos and Mike Kerrigan.

Merit Cigarette Sets New Taste Standard.

'Enriched Flavor'™ breakthrough brings unprecedented taste to low tar smoking.

Today there's a way to get real taste from a cigarette without high tar.

That's the report on a new taste discovery called 'Enriched Flavor.' *A way to pack flavor—extra flavor—into tobacco without the usual corresponding increase in tar.*

The cigarette packed with 'Enriched Flavor' tobacco is remarkable new MERIT.

If you smoke, you'll be interested.

Tests Verify Taste

In tests involving thousands of smokers of filter cigarettes, the majority reported MERIT delivered more taste than five current leading low tar cigarettes having all the way up to 60% more tar.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, MERIT MENTHOL was reported to deliver as much—*or more*—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette. MERIT.

Unprecedented flavor at 9 mg. tar.

One of the lowest tar levels in smoking today.
